DIRECTIONS FOR RECVLVER HATCHERY
Please note: Do not go to Whitstable or Seasalter!

From the M2 take the A299

Do not turn off at Whitstable, go past Whitstable & Herne Bay. After Herne Bay, there are 2 flyover bridges, after the 2nd, look out for signs on the left to Reculver (white & brown signs) . It will be the first left after the 2nd flyover.

Follow the road down through Hill borough and fork right past St Mary's Church. Follow this country lane down to the coast, in the distance you will see Reculver Towers. (Ancient ruin)

Keep going until you come to the King Ethelburt pub and take the private road through the gate in front of it marked 'EA - NO Unauthorised Vehicles'. This will take you round the old Roman Wall on your left and the caravan park on your right and out onto the seawall.

We are 200 metres along the seawall in a dip.
